

We are excited to bring you **ONLINE PROOFING!**

A new time-saving way to approve your artwork, right from your own web-browser!

No more will you have to deal with fuzzy faxes, tricky email attachments or the concern that your mark-ups and comments haven't been received or aren't clearly understood.

How does Online Proofing benefit you?

- Saves Time** Complete your reviews fast – *speed project completion*
- Easy to Use** Get started in minutes – *no downloads or software to install*
- Review in Color** See your proofs clearly – *no more fuzzy faxes or email attachments*
- Communicate Clearly** Make mark-ups online, right on the proof – *finally, clear communication*
- Available Anytime!** Review & return proofs day or night – *using only your web browser*

How does it work?

- 1. VIEW IT !** You'll receive an email from us that your proof is ready for viewing. Click on the link in the email and get started.
- 2. MARK IT !** Review your proof and mark-it-up as needed...all online!
- 3. APPROVE IT !** Set your final approval status and simply click to return your mark-ups and comments to us. It's that easy!

Through a secure 128-bit SSL encrypted connection, you can securely review and approve your artwork quicker, ensuring your projects will be completed faster as a result. *Online Proofing is convenient to! You won't have to call, fax or wait for a courier.*

To see how easy it is to review your proofs online, please view the **Quick Start Demo** >
